MEMBERS PRESENT

1 OPENING

- 1.1 President, Mr Hri Kumar Nair called the meeting to order after confirming with the General Secretary that there was a quorum.
- 1.2 In his welcome address, Mr Hri Kumar highlighted how bursaries and study loans have helped more needy students. In 2015, 134 students benefitted from the tertiary bursary schemes amounting to \$155,250 compared to 99 students amounting to \$109,300 in 2014. This increase in numbers was primarily because the eligibility criteria was raised from \$600 to \$650 a month on a Per Capita Income (PCI) basis.
- 1.3 He drew members' attention to the number of tertiary study loans given by the Trust under the SINDA-SIET Tertiary Study Loan scheme which had a corpus of S\$1 million and had been financed by an anonymous donor. 176 students studying in various Private Educational Institutions (PEI) have benefited from this scheme over the past three years.

2013	- 10 students received loans worth \$66,443
2014	- 55 students received loans worth \$330,774
2015	- 111 students received loans worth \$783,363

Funds allocated under this scheme will be made available to other students when repayments from previous loans become sufficient to do so.

In addition to the loans under the SINDA-SIET Tertiary Study Loans scheme, the Trust had also separately extended study loans amounting to \$153,345 to 8 students.

- 1.4 Mr Hri Kumar noted that the numbers point to successful applicants but there were many more who had applied and were interviewed. Council Members and volunteers had spent a lot of their time and effort in conducting interviews and ensuring that deserving applicants were selected to receive SIET interest free study loans.
- 1.5 It was noted that of donations received at SINDA for education related activities that are carried out by SIET, there is a balance of \$357,859 with SINDA as at the end of the financial year. This amount will be made available to SIET for bursaries and loans in the coming year.
- 1.6 Mr Hri Kumar noted that Singaporeans have been generous with their donation and \$70,000 was raised through SIET Charity Golf and other donation drives. He expressed his heartfelt thanks to all the donors and sponsors for their contributions.
- 1.7 He reminded members of his address last year and said SIET was in a good financial position to help not only the young but also keeping in line with the SkillsFuture initiative, to assist adults in the work force get certified skills and qualifications for career progression and employability.
- 1.8 Mr Hri Kumar complimented Management Council Members on the latest annual report which he said was very impressive and professional and noted that the softcopy of the report was made available to members earlier than the hard copy. He thanked the Management Council Members for their valuable contributions.

2 TO CONFIRM AND APPROVE THE MINUTES OF THE 46TH ANNUAL GENERAL MEETING HELD ON 30 MAY 2015 (APPEARING IN PAGES 3 - 8 OF THE ANNUAL REPORT, 2015)

The General Secretary confirmed that no notice of amendments was received.

The minutes were adopted as

Proposed by: Mr Narayana Mohan

Seconded by: Mr R Asokan

3 TO CONSIDER MATTERS ARISING

It was confirmed that there were no matters raised from members present.

4 TO RECEIVE AND ADOPT THE ANNUAL REPORT OF THE MANAGEMENT COUNCIL FOR THE PERIOD ENDING 31 DECEMBER 2015 (ON PAGES 9 -18)

- 4.1 Chairman, Mr V P Jothi drew members' attention to Point 11 on "Endowment Funds and Donations" on Page 16 of the Annual Report and said there was an error in the amount donated by Galaxy Education Trust Fund. The correct figure, he said, was \$5,866 and not \$660 as shown and also made reference to page 54 of the report.
- 4.2 Mr Jothi pointed out two more errors on pages 55 and 56 of the Annual Report. He said the heading of the last column should read as "Balance for year ended as at 31st December 2014" and not "Balance for year ended as at 31st December 2015".
- 4.3 Mr Jothi went through the financial highlights on Page 14 of the Annual Report. He said the Trust ended the year with a net surplus of \$1,103,962. The investments stood at \$3 million. There was half a million available in the bank as cash balance and another \$300,000 in Fixed Deposits. He added that the Trust had given out \$1.1 million in loans and receivables stood at \$568,778. He also indicated that SIET's assets stood close to \$6 million. Mr Jothi highlighted that having passed the \$5 million mark, the Trust needs to now strive to reach the \$10 million mark. He added that this will allow for more needy students to be supported.
- 4.4 Mr P Raveentheran asked if entrepreneurs have been approached for large donations.
 He said organisations like Lee Foundation and Shaw Foundation can be approached to get donations.
- 4.5 Mr Uttam Kripalani also enquired if the Trust had approached non-Indian foundations for donations.
- 4.6 General Secretary, Mr Varutharaju Gopal replied that the Trust had received a donation of \$5,000 from Lee Foundation for the SIET Charity Golf Tournament 2015.
- 4.7 Mr Kripalani stated that donations through Golf tournaments alone were not enough and that the Trust should seek big donations in order to give out more study loans.
- 4.8 Mr Bala Subramanion added that sending letters to existing members and asking them to upgrade their membership from life to benefactor or bringing new members alone was not sufficient and that it required a more personal approach on the part of the Management Council.
- 4.9 Mr R Asokan suggested appealing to Singapore Pools.

- 4.10 Mr Jothi informed members that the Trust had approached organizations such as Singapore Pools for donations but have been advised that they fund "activities" and not give outright donations.
- 4.11 Mr Hri Kumar added that the Management Council members had been sending donation appeal letters to individuals and organisations and that the Trust did not want to exhaust its donors by approaching them too often.
- 4.12 Mr Uttam Kripalani suggested that SIET should not only appeal to all the members to bring in at least one new member to the Trust every year but also request them to donate themselves or introduce other donors to the Trust.
- 4.13 Mr Jothi informed members that the Trust had organised a series of 4 Networking Lunches in 2015- 2016 to create awareness about the Trust and made an attempt to increase its membership base. A total of 26 new members had come on board through this initiative. He thanked MC Member, Mr Ramasamy Jayapal for his efforts in leading this project. He said expanding membership numbers could become another source of income for the Trust and encouraged all present to invite their friends and contacts to join the Trust.

The Annual Report was adopted as

Proposed by: Mr Uttam Pritamdas Kripalani

Seconded by: Mr Dinesh Singh

5 TO RECEIVE AND ADOPT THE AUDITED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2015 (APPEARING FROM PAGES 25 - 62 OF THE ANNUAL REPORT, 2015)

The audited accounts were adopted as

Proposed by: Mr Om Prakash

Seconded by: Mr Mayur Ghelani

There were no motions submitted but Mr Hri Kumar invited members to ask any questions they may have.

- 8.1 Chairman, Mr Jothi thanked Mr Varutharaju Gopal and other Golfers for their consistent effort in raising monies for the Trust over the years. He said in 2015 the golfers managed to raise a net sum of \$70,393 for the Trust.
- 8.2 Mr Jothi expressed his gratitude and thanks to Mr Om Prakash, CEO, Sumtwo Softwares Pte Ltd for the designing and installation of a Customer Relations Management (CRM) system for SIET at no cost as part of their Corporate Responsibility Programme. He said this is a great service that Sumtwo Softwares Pte Ltd has extended to SIET as the system will enable the Trust to manage its financial aid programme, volunteer and donor relations and related records more efficiently.
- 8.3 Mr Jothi also thanked MC Member, Mr Mayur Ghelani for leading SIET's Investment Committee and said the Trust's investments had grown substantially because of his good and sound understanding of the market, valuable inputs and timely decisions.

8.4 Vice Chairman, Mr Puvan Ariaratnam informed members present that the Trust had collaborated with Tamil Murasu (TM) in a new G Sarangapany Scholarship scheme targeted at TM staff who have been working in the field of Tamil media and wanted to upgrade themselves by furthering their tertiary studies. He said the cost of studies for the recipients selected to receive the scholarship would be shared between SIET and TM. He thanked Mr Rajendran Jawharilal, Editor of Tamil Murasu and Mr Jothi, Chairman, SIET for supporting this endeavour and invited them to sign the Memorandum of Understanding (MOU).

6 BURSARIES

In 2016, the Trust disbursed bursaries worth \$182,500 to 155 students from the ITEs, JCs, Polytechnics and Universities. Bursaries are for students from low-income families with a per capita household income of \$650.

49 Indian students from ITE colleges applied for the SIET bursaries. The reasons for the low number of applications is not very clear but the Trust is focused on reaching out to students in these colleges and also encourages the applicants to join youth related motivational and leadership programmes at SINDA.

7 SIET AND SINDA – SIET TERTIARY STUDY LOANS

SIET Study Loans

The Trust disbursed SIET Study Loans amounting to **\$97,645** to **19** students during the year.

We are happy to report that loan repayments from beneficiaries have been regular and there were no defaulters during the year.

SINDA - SIET Tertiary Study Loans

A total of **74** students received loans amounting to **\$443,627** under this scheme during the year. The fund set up under the scheme is now exhausted and new loans will be extended as we begin to receive sufficient repayments from borrowers. We are happy to note that scheduled repayments have been regular during the year.

8 SINDA-SIET SCHOLARSHIPS

SIET administers scholarships that were set up under partnership arrangements between SINDA and several Private Educational Institutions (PEI). These Scholarships which are for Diploma and Degree programmes are aimed at encouraging deserving students to pursue higher skills and educational qualifications. Partial and full scholarships were recommended by SINDA and approved by Private Educational Institutions for 24 students during the year under this arrangement.

10 INVESTMENTS

2016 marked a year of slow and steady growth globally with little monetary policy tightening, a scenario that generally benefits fixed income portfolios. As a result, SIET's portfolio of S\$2.5 m in fixed income securities earned a current yield income of S\$149,867 which translates to a return of around 6%.

However, going into 2017, a combination of anti-establishment and anti-globalization policies globally, coupled with higher rates cycle in the US, can possibly be a source of risk for emerging markets. Given this scenario and where policy uncertainties will be a challenge to financial markets going forward, the Investment Committee continues to recommend investments in familiar Singaporean credits with shorter maturities.

11 FUND RAISING

SIET Invitational Golf

The SIET Charity Golf was held on 26th August 2016 at the Orchid Country Club. More than 100 players participated in the Charity Golf and the evening ended with a sumptuous dinner, lucky draw and tournament prizes.

This event raised S91,017 for needy students. The Trust also received during 2016 additional support of 16,078 from Singapore Tote Board for the fund-raising golf tournament held in the previous year. We would like to thank all players, individual and corporate sponsors who contributed towards this worthy cause.

The next fund-raising golf event is scheduled for Friday, 25th August 2017 and we look forward to receiving your continued support.

SIET Networking Lunches

The Trust organized a series of four networking lunches from the last quarter of 2015. The aim was to create an awareness about the history and profile of SIET and its educational financial aid services and encourage more members of the public to sign up as Life or Benefactor members. 20 new members were added through this initiative during 2016. SIET will continue with these programmes and engage potential donors and new members in 2017.

12 ENDOWMENT FUNDS AND DONATIONS

The Trust is grateful to the following donors for their contributions during the year:

S/NO	NAME OF DONOR	AMOUNT
1	Mr Sumit Aggarwal – Sri Chaitendra Bhardwaj Education Trust Fund	\$15,000.00
2	The Yogaa Team	\$12,000.00

11	Mr Varutharaju Gopal	\$500.00
12	Anish Mathew	\$100.00
13	Hashina Parvin D⁄o Anwar Ali	\$100.00

We are happy to report that the following new endowment was set up by member, Mr Puvan Ariaratnam, during the year, bringing the total number of endowments at the Trust to fifty-one:

C Ariaratnam Memorial Trust Fund \$10,000

13 NUSTLS "A" LEVEL TUITION PROGRAMME

Mentorship Programme

Saadhana Project Directors with students

SIET together with SINDA funds the Saadhana 'A' level tuition programme organized by NUS Tamil Language Society. In 2016, a total of 133 students enrolled in this 8 month programme. The new initiative of allowing students to take up to 4 subjects instead of just 3, was well received. The hallmark of Saadhana 'A' level tuition programme was the inclusion of a Mentorship Programme for students who have signed up for the tuition.

The Mentorship Programme aims to evoke interest in the courses local universities offer and the student life in university. Spread across 2 days, 83 students took part in the Mentorship Programme. The mentors involved in the programme were university students from NUS, NTU and SMU. The programme was over a span of 6 hours divided into 4 time slots. A diverse group of mentors who are pursuing their undergraduate studies share information about campus life as well as their studies in their respective degree courses.

Another new initiative for Saadhana 2016 was the Saadhana Portal. This portal was created based on the learning systems used in Universities to manage digital academic documents. All tutors and students are encouraged to use the portal to capitalize on the technology for a more enriching teaching and learning experience.

SIET allocated \$19,503 towards this programme in 2016.

14 INSTALLATION OF CRM SYSTEM

Sumtwo Softwares Pte Ltd's system team led by Mr Om Prakash designed and installed a Customer Relationship Management (CRM) system for SIET. The system went "live" in 2017. The system will help productivity improvements both in management of all relevant records as well as support e-application and processing of loans and bursaries.

15 RESOURCE PANEL AND VOLUNTEERS

A Resource Panel extend it's support and assistance to the Council in interviewing students for SIET study loan and bursaries. A number of our applicants require support in the areas of motivation and self esteem. Panel members help as far as possible by providing guidance to these students during these interview sessions.

Other volunteers supported the Trust by participating in its fund-raising endeavors such as SIET Charity Golf Tournament and networking efforts.

We are grateful to the following for their support during the year:

16 CONCLUSION

In line with the National SkillsFuture initiative, the Trust is now supporting more individuals who are keen to upgrade themselves while doing part-time programmes at the Certificate/Diploma and Degree levels. In providing financial assistance to these individuals the Trust endeavours to clarify with applicants that they have a good understanding of the relevance of the courses they undertake to their current and future employability.

Council Members and Members of the Resource Panel spend time interviewing both bursary and study loan applicants to discuss their plans and help them better understand the options available so that they can make informed choices. The Trust is grateful for members of our Resource Panel and Volunteers for the time they spent meeting students. Moving forward, the Trust would like to invite more members to share their professional expertise through such meetings with students during interviews.

To support more individuals, meet their aspirations, the Trust needs to continue with our various fundraising efforts. We are especially grateful to all our supporters and partners such as SINDA and the SIET Golf organizers for their continued support. We look forward to more members stepping forward to assist in our fund-raising effort so that we can build on the success we have achieved.

REFLECTIONS OF OUR BENEFICIARIES

Ibrahim Bin Zubir Year 2, Bachelor of Fine Art, Design and Media Nanyang Technological University

"I am honoured and thankful that SIET provides financial assistance for students who need to achieve their educational dreams.

SIET Bursary has not only supported me financially, but also gave me the motivation and encouragement to do well in my studies here in Nanyang Technological University.

As a student of a Film Making course, I am often required to buy materials for my projects and assignments. Most of the materials can be quite costly. SIET Bursary reduced the difficulty I came across in terms of paying for those expensive materials. It also helped in daily expenses such as transportation and meals".

Tivya Darshini Year 1, Diploma in Design for User Experience Republic Polytechnic

"I am very interested in drawing and painting and am glad that I have been admitted to a course closely related to my interest at the Republic Polytechnic. However, I need some financial assistance to complete my studies.

The monthly SIET Bursary is a great help. After taking care of daily expenses, I am able to save \$10 to \$20 each month and this helps me with any unexpected expenses in school. I am relieved and happy that I can now focus on my studies".

Affrin Nisha D/O Hussain

Year 1, Diploma in Customer Experience Management with Business Republic Polytechnic

"SIET Bursary has helped me to pay for my transportation expense as well as to minimise my family's household expenses. This bursary has made me a more responsible and independent person as I have to manage the \$150 a month that I receive carefully. The bursary has also lessened the financial burden on my family and allows me to focus on my studies, perform better and achieve good grades."

REFLECTIONS OF OUR BENEFICIARIES

Nikhil Tarun Sanghavi Year 1, Diploma in Pharmaceutical Science Temasek Polytechnic

"The SIET Bursary award helped me to concentrate on my studies instead of worrying about where I was going to get the money to buy my study notes. Thanks to SIET's assistance, I was able to focus on my studies and managed to get a GPA of 3.58 !"

Noor Aisha Bte Aladin Year 3, Health Services Management Republic Polytechnic

"I would like to take this opportunity to thank each and everyone who have contributed to the SIET Bursary. I do not have to worry about getting a part time job to support myself for my school allowances and expenses. I was able to fully concentrate on my education with the bursary. Financial problems can affect the educational journey of a child, and financial assistance such as SIET Bursary, can help us tremendously".

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SINGAPORE INDIAN EDUCATION TRUST

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of SINGAPORE INDIAN EDUCATION TRUST (the "Trust"), which comprise the statement of financial position as at December 31, 2016, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Chapter 311 (the Societies Act), the Charities Act, Chapter 37 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRS) so as to present fairly, in all material respects, the financial position of the Trust as at December 31, 2016, and of the financial performance, changes in funds and cash flows of the Trust for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSA). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the statement by the Management Council and Management Council Reports.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SINGAPORE INDIAN EDUCATION TRUST

Responsibilities of Management Council and Those Charged with Governance for the Financial Statements

Management Council is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulations and FRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Council is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

Management Council is responsible for overseeing the Trust's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSA, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SINGAPORE INDIAN EDUCATION TRUST

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that
 may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material
 uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
 financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based
 on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions
 may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the Trust have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act and the Charities Act and Regulations.

The annexed accounting policies and explanatory notes form an integral part of the financial statements

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1 General

The Singapore Indian Education Trust is registered under the Societies Act, Chapter 311, to establish and to maintain funds to provide Singapore Indians with bursaries, scholarships and study loans.

The registered and the administration office of the Trust is at No.1 Beatty Road, #04-402, Singapore 209943.

The Trust was registered as a charity under the Charities Act, Cap.37 on August 7, 1986.

The affairs of the Trust are administered by the Management Council in accordance with the provisions of the constitution of the Trust and the provisions of the Societies Act.

2 Significant accounting policies

a) Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standards in Singapore ("FRS"). The financial statements are expressed in Singapore Dollar (S\$), being the measurement and functional currency, and are prepared under the historical cost convention except as disclosed in the accounting policies below.

The preparation of financial statements in conformity with FRS requires management to exercise its judgment in the process of applying the Trust's accounting policies. It also requires the use of accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of profit or loss during the financial year. These estimates and assumptions are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances (refer Note 2(b) to the financial statements).

The Trust adopted the new or revised FRS that is mandatory for application on that date. This includes the following FRS, which are relevant to the Trust as a single entity:

FRS 1	[Amendments] :	Disclosure Initiative
FRS 16/ FRS 38	(Amendments) :	Clarification of Acceptable Methods of Depreciation and Amortisation
Improvements	to FRSs	
FRS 19	(Amendments) :	Employee Benefits
FRS 107	(Amendments) :	Financial Instruments: Disclosures

The adoption of these does not result in any significant changes to the Trust's accounting policies or have any significant impact on the financial statements.

2 Significant accounting policies [Cont'd]

b) Critical judgments in applying the entity's accounting polices

In the process of applying the entity's accounting policies, management is of opinion that there are no critical judgments (other than those involving estimates) that have significant effect on the amounts recognised in the financial statements.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation of uncertainty at the statement of financial position date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Depreciation

The Trust depreciates the plant and equipment over their estimated useful lives, after taking into account their estimated residual values, if any, using the straight-line method. The estimated useful life reflects the Management Council's estimate of the periods that the Trust intends to derive future economic benefits from the use of the Trust's plant and equipment. The residual values reflect the Management Council's estimated amount that the Trust would currently obtain from disposal of the asset, after deducting the estimated costs of disposal, if the assets were already of the age and in the condition expected at the end of its useful life.

Allowance for loans and other receivables

The provision policy for doubtful debts of the Trust is based on the ongoing evaluation of collectability and aging analysis of the outstanding receivables and on management's judgment. A considerable amount of judgment is required in assessing the ultimate realisation of these receivables, including creditworthiness and the past collection history of each student. If the financial conditions of student of the Trust were to deteriorate, resulting in an impairment of their ability to make payments, allowances would be made.

c) Plant and equipment

Plant and equipment are stated at cost less accumulated depreciation less impairment. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to working condition for its intended use. Expenditure for additions, improvements and renewals are capitalised and expenditure for maintenance and repairs are charged to the profit or loss. When assets are sold or retired, their cost and accumulated depreciation impairment are removed from the financial statements and any gain or loss resulting from their disposal is included in the profit or loss.

d) Depreciation of plant and equipment

Depreciation is calculated on a straight-line method to write off the cost of the plant and equipment over their estimated useful lives as follows:

Furniture & fittings	-	10 years
Office equipment	-	3 years

2 Significant accounting policies (Cont'd)

e) Foreign currency transactions

(i) Functional currency The Management Council has determined the functional currency of the Trust to be Singapore Dollar, being the currency of the primary economic environment in which the Trust operates.

(ii) Transactions and balances

Transactions in foreign currencies are translated into Singapore Dollar at foreign exchange rates ruling at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the statement of financial position date are retranslated into Singapore Dollar at foreign exchange rate ruling at that date. Nonmonetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to Singapore Dollar at the exchange rate at the date on which the fair value is determined.

Foreign currency differences arising from retranslation are recognised in the profit or loss.

f) Impairment of non-financial assets

At each statement of financial position date, the Trust reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Trust estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the greater of net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the recoverable amount of an asset (cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (cashgenerating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of impairment loss is recognised immediately in profit or loss unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

2 Significant accounting policies (Cont'd)

g) Financial instruments

Financial instruments comprise financial assets and liabilities and they are recognised on the Trust's statement of financial position when the Trust becomes a party to the contractual provisions of the instrument.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period. Income is recognised on an effective interest basis for debt instruments other than those financial instruments "at fair value through income and or expenditure".

Financial assets

Financial instruments comprise financial assets and liabilities and they are recognised on the Trust's statement of financial position when the Trust becomes a party to the contractual provisions of the instrument.

Recognition

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not measured at fair value through profit or loss, directly attributable transaction costs. The Trust determines the classification of its financial assets at the time of initial recognition, and where allowed and appropriate, re-evaluates this designation at each financial year end.

All regular way purchases and sales of financial assets are recognised or derecognised on the trade date, i.e., the date that the Trust commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the market place concerned.

As of year end the Trust has the following classes of financial assets:-

Available-for-sale financial assets

Quoted equities and debt securities held by the Trust are classified as being availablefor- sale and are stated at fair value. Fair value of the quoted equities and bonds is determined by their quoted bid price at the reporting date. Gains and losses arising from changes in fair value are recognised directly in the fair value reserve with the exception of impairment losses, if any. When the investment is disposed off or is determined to be impaired, the cumulative gain or loss previously recognised in the fair value reserve is included in the profit or loss for the year. Dividends on availablefor-sale equity instruments are recognised in profit or loss when the Trust's right to receive payments is established.

2 Significant accounting policies [Cont'd]

g) Financial instruments (Cont'd)

Recognition (Cont'd)

- Loans and receivables

Loans and other receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as loans and other receivables, fixed deposits and cash and bank balances on the statement of financial position. They are classified as current assets, except for those maturing later than 12 months after the statement of financial position date which are presented as non-current assets. Loans and receivables are measured at amortised cost using the effective interest method less impairment losses. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, as well as through the amortisation process. For short term receivables the nominal cost would approximate the fair value.

<u>Impairment</u>

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each statement of financial position date. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the financial assets have been impacted.

For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of loans and other receivables where the carrying amount is reduced through the use of an allowance account. When a loan or other receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

With the exception of available-for-sale financial instruments, if any, if in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment loss was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the asset at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised. The amount of reversal is recognised in profit or loss.

In respect of available-for-sale financial instruments, any subsequent increase in fair value after an impairment loss is recognised directly to fair value reserves.

2 Significant accounting policies (Cont'd)

g) Financial instruments (Cont'd)

Derecognition

The Trust derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Trust neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred assets, the Trust recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Trust retains substantially all the risks and rewards of ownership of a transferred financial asset, the Trust continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities

Financial liabilities are recognised initially at fair value, plus, in the case of financial liabilities other than derivative directly attributable transaction cost. Financial liabilities include trade payables on normal trade terms, other payables and interest-bearing loans and borrowings.

Subsequent to initial recognition, derivatives are measured at fair value. Other financial liabilities (except for financial guarantees) are measured at amortised cost using the effective interest method.

For financial liabilities other than derivatives, gains and losses are recognised in profit or loss, when the liabilities are derecognised and through the amortisation process. Any gain or losses arising from changes in fair value of derivatives are recognised in profit or loss. Any gains or losses arising from changes in fair value of derivatives include exchange differences.

Financial liabilities are derecognised when the obligation under the liabilities is extinguished. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the profit or loss.

h) Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents comprise fixed deposits, cash at bank and cash in hand.

i) SIET Funds

Restricted Funds

These funds are administered based on specific objectives they were set up for. These are drawdown funds that may be replenished by the donors from time to time.

2 Significant accounting policies (Cont'd)

i) SIET Funds (Cont'd)

Restricted Funds [Cont'd]

The restricted funds are:

[a] PA Narpani Pearavai Education Fund

The fund was established by People's Association Indian Activity Executive Committee Coordinating Council to provide financial assistance to needy and deserving students who are Singapore Citizens. SIET has undertaken the responsibility to administer this Study Loan Scheme.

(b) Central Sikh Gurdwara Board Bursary Award Fund

The fund was established by Central Sikh Gurdwara Board to set aside a bursary fund S\$10,000 per year to provide bursaries to students from lower income Sikh families. The bursary is for students from primary to tertiary level.

Unrestricted Funds

These are funds over which the Management Council retains full control for the use.

These funds are classified as follows:

(a) G Sarangapany Education Fund

The objective of the fund is to provide financial assistance to students pursuing courses in journalism/media studies and other subjects that the changing education landscape demands.

(b) Accumulated Fund

As per the Constitution Clause 13(7) of the Trust, the net surplus or deficit for the year is transferred to the Accumulated Fund.

[c] Study Loan Award Fund

The fund is used for study loans and for other educational and research initiatives.

[d] Ismail and Farah Fund

The fund is used to provide financial assistance to tertiary students taking up studies in local universities.

(e) Benefactor Fund

As per the Constitution Clause 6(2) of the Trust the benefactor members are admitted into the Trust by way of a onetime contribution. This amount is credited to BENEFACTOR FUND.

<u>Unrestricted Funds</u> (Cont'd)

i) SIET Funds (Cont'd)

- [f] Life and Institutional Membership Funds As per the Constitution Clause 6(3) of the Trust the life members are admitted into the Trust by way of a onetime contribution. This amount is credited to LIFE MEMBERSHIP FUND.
- (g) Associate Life Membership Fund As per the Constitution Clause 6(5) of the Trust the associate life members are admitted into the Trust by way of a onetime contribution. This amount is credited to ASSOCIATE LIFE MEMBERSHIP FUND.
- SINDA-SIET Study Loan Fund
 This fund represents loans disbursed through SINDA-SIET study loan scheme. The funds are utilised to support the tertiary education of Indian post-secondary students. [Refer to Note 4(ii) to the financial statements]

j) Trust Funds

These are fixed endowment funds where only the income earned from its investments is used under the various schemes administered by the Trust to assist students financially.

k) Income recognition

- Income from donations are accounted for when received except for donations which are probable of collection and matched to SIET fulfilling the donor's donations criteria, which are recognised on an accrual basis upon the fulfilment of donation criteria;
- (ii) Interest income is recognised on the accrual basis using the effective interest method;
- (iii) Dividend income, from equity investments is recognised when the shareholders' right to receive the payment has been established.
- (iv) Subscription from institutional members are recognised on cash basis as subscription income and transferred to Accumulated Fund. All other types of subscription income received are recognised on a cash basis and transferred to a capital fund named according to the membership category.

I) Employee benefits

Retirement benefit costs

As required by law, the Trust makes contributions to the Central Provident Fund (CPF), a defined contribution plan regulated and managed by the Government of Singapore. CPF contributions are recognised as expense in the same year to which the contribution relates.

Employee entitlements to annual leave are recognised when they accrue to the employees. An accrual is made for the estimated liability for annual leave as a result of services rendered by the employees up to the statement of financial position date.

A liability for bonuses is recognised where the entity is contractually obliged or where there is constructive obligation based on past practice.

2 Significant accounting policies (Cont'd)

m) Operating lease

Leases of plant and equipment where significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Rentals and other lease payments under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

(i) Study Loans (Cont'd)

Local and overseas study loans are granted for Degree and Diploma Courses at tertiary institutions repayable by the recipients on successful completion of their studies and gaining employment by fixed interest free monthly instalments. The above loans are given to the needy students to pursue higher education after secondary school who satisfy the criteria laid down by the Trust's by-laws. The loans are guaranteed by up to 2 sureties. All loan applications are carefully scrutinized by Management Council which decides the tenure, repayment terms etc. As at the statement of financial position date, the amount of committed loan is S\$870,000 (2015:S\$570,000).

(ii) SINDA-SIET Study Loans

SINDA- SIET Study Loan scheme is funded through donations received by SINDA under this scheme. The scheme is to support the tertiary education of Indian post-secondary students. The scheme will be administered by SIET based on the eligibility criteria jointly decided by SINDA and SIET. SINDA will disburse the donation to SIET upon SIET disbursing the loans to the eligible students. The donations received are credited to SINDA-SIET Study Loan Fund (refer to Note 12 to the financial statements).

(*) Funds with SINDA

Singapore Indian Education Trust (SIET) is a registered charity offering solutions to the needs and challenges impacting the educational performance of the Indian Community. SINDA's programmes are designed to focus mainly on the education of students from pre-primary to secondary while SIET focuses on tertiary level education. Both of the organisations recognise the immense opportunity to leverage on the synergy between the two organisations. The collaborative arrangement has been set to manage SIET donation and its disbursements to students who qualify for financial assistance for their course of study at the tertiary institution and other schemes administered by SIET. The balances shown above are receivable from SINDA. This comprise of S\$20,399 (2015:S\$154,281) receivable from SINDA under SINDA-SIET Study Loan. Refer to **Note 4** (ii) to the financial statements. The amount is unsecured, non-interest bearing and repayable on demand.

7 Fixed deposits

Fixed deposits have an original tenure of 3 months and as of year end have a maturity of about 2 months (2015:2 months). The fixed deposits interest rate during the financial year was about 0.08% (2015: 0.08%) per annum.

(b) Fair value measurements

The following table presents assets and liabilities measured at fair value and classified by level of the following fair value measurement hierarchy:

- (i) quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- (ii) inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (Level 2); and
- (iii) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

	Fair value measurement at end of the financial year using:			
	Level 1 S\$	Level 2 S\$	Level 3 S\$	Total S\$
<u>2016</u> Assets Available-for-sale financial assets	2,552,867	-	-	2,552,867
Liabilities	-	-	-	-
<u>2015</u> Assets Available-for-sale financial assets	3,032,472		-	3,032,472
Liabilities		-		

The financial assets and liabilities of the Trust comprise loan and other receivables, fixed deposits, cash and bank balances, available-for-sale financial assets and payables. The carrying values of the financial assets and liabilities as shown in the statement of financial position approximate their fair value amounts at the financial position date. The carrying values of these assets and liabilities are the nominal or cost values, except for available-for-sale financial assets which are based on quoted price (level 1).

(c) Financial risk

The Management Council reviews and agrees policies for managing risk with a view to minimise potential adverse effects of financial performance of the Trust. Each of these risks are summarised below:

25 Financial instruments and financial risk management (Cont'd)

(c) Financial risk (Cont'd)

Interest rate risk

The Trust's exposure to market risk for changes in interest rate relates primarily to the Trust's investment in fixed deposits. The Trust's investment in bonds and other securities are mainly with fixed interest rates. Any variation in interest rates in the periods in which they re-price or mature will have a minimal impact on the profit or loss of the Trust.

Interest rate sensitivity

If interest rates had been 50 basis points higher or lower and all other variables been constant, the Trust's surplus/(deficit) before tax for the year ended December 31, 2016 would increase or decrease by S\$2,900 (2015:S\$1,500) respectively.

Liquidity risk

Liquidity risk is the risk that the Trust will encounter difficulty in meeting financial obligations due to shortage of funds. The Trust's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Trust has no significant liquidity risk as it maintains a level of cash and cash equivalents that is sufficient for working capital purpose.

The table below analysis the maturity profile of the Trust's financial liabilities based on contractual undiscounted cash flows.

		Cash flows		
	Carrying amount	Contractual cash flow	Less than 1 year	Within 2 to 5 years
	S\$	S\$	S\$	S\$
2016 Non-derivative financial liabilities				
Accrued expenses	11,148	(11,148)	(11,148)	-
2015 Non-derivative financial liabilities				
Accrued expenses	8,084	(8,084)	(8,084)	-

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss of the Trust. The Trust has adopted a policy of only dealing with creditworthy counterparties. There is no concentration of credit risk in relation to any single party.

The Trust's exposure to credit risk in receivables arises primarily from loan and other receivables which are given to Singapore students and receivable from its partner SINDA. The student loans are approved by the management only for eligible and deserving students.

25 Financial instruments and financial risk management (Cont'd)

(c) Financial risk (Cont'd)

Credit risk (Cont'd)

The Trust establishes an allowance for impairment that represents its estimate of incurred losses, only when required, which primarily comprise of specific loss component that relates to individually significant exposures. Further details of credit risks on loan receivables are disclosed in Note 4 to the financial statements.

The carrying amounts of the Trust's available-for-sale financial assets, loan receivables, other receivables, fixed deposits, cash at bank and cash represent the Trust's maximum exposure to credit risk. No other financial assets carry a significant exposure to credit risk.

Foreign currency risk

The Trust has no significant exposure to foreign exchange risk.

Price risk

The Trust is exposed to price risk rising from its investment in quoted equity and debt instruments. These instruments are quoted and are classified as available-for-sale financial assets. To minimise the risk, the Trust diversifies its portfolio in accordance with the limits set by the Trust.

<u>Sensitivity analysis</u>

A 10% increase or decrease in the underlying equity or bond prices at the reporting date with all other variables held constant would increase or decrease other comprehensive income by \$\$255,300 (2015:\$\$303,200) respectively.

(d) Capital/funds management

The Trust is a society with no share capital. The Trust builds up its capital/funds from donations received and also through prudent management of its financial resources. The capital of the Trust includes reserve funds in its Accumulated Fund, Trust Fund and other funds.

The funds of the Trust provide financial stability and the means for the development of the Trust's activities. The Trust intends to maintain the funds at a level sufficient for its operating needs. The Management Council of the Trust review the level of funds regularly for the Trust's continuing obligations.

The Trust Funds are closely monitored to ensure that there are sufficient funds to support its programmes and activities.

The Trust is not subject to externally imposed capital/funds requirements.

26 New accounting standards and FRS interpretations

A number of new standards, amendments to standards and interpretations are effective for the annual periods beginning after 1 January 2016, and have not been applied in preparing these financial statements. None of these are expected to have a significant effect on the financials statements of the Trust.

27 Authorisation of financial statements

The financial statements of the Trust for the year ended December 31, 2016 were authorised for issue in accordance with a resolution of the Management Council on May 12, 2017.
